September 19, 2023

Dear Waves Workshop Participants,

We look forward to welcoming you to Notre Dame campus in a couple of weeks!

Our program officially begins on Sunday, October 1 from 6:00pm – 8:00pm with a Welcome Reception and Registration in Stinson-Remick Hall. Registration will continue starting at 8:00am Monday morning at the conference venue on the 2nd floor of McKenna Hall. Both venues are directly across the street from the Morris Inn.

To those who are participating remotely, we will miss you in person, but will look forward to connecting over Zoom. Zoom links will be distributed the week before the Workshop. As a reminder, we are on Eastern Daylight Time (unlike Chicago which is Central Daylight Time).

The afternoon temperatures in the early weeks of October average in the mid-60s with cooler temperatures in the evening and the fall foliage should be beginning to be colorful!

ARRIVAL on campus and parking:

Information is posted on the workshop website about parking
<https://waveworkshop.nd.edu/lodging/>

and a campus map can be found here:

<https://map.nd.edu/>

For those arriving at SBN airport, there are taxis just outside of the baggage claim doors, or use Uber or Lyft.

CASHLESS campus: Notre Dame is a mostly cashless campus, which includes transactions for food service across campus. Cash is still accepted at the Morris Inn, Rohr's, and the Hammes Notre Dame Bookstore.

PRESENTERS:

Reminder that we are requesting that all oral presenters (in person and remote) deliver their electronic material by **Monday, September 25** emailed to: Diane Westerink

westerink.5@nd.edu

Remote oral presenters are asked to also submit a video recording of their presentation by this same date.

Posters presenters are being asked to provide a one-page PDF emailed to: Diane Westerink westerink.5@nd.edu by Monday, September 25 as well as a three-minute video with a Power Point accompaniment.

All presenters, see details on the workshop website here, but don't hesitate to reach out if you have any questions.

<https://waveworkshop.nd.edu/presenter-information/>

QUESTIONS:

Please let us know if you have any questions.

Conference Organizers:

Harriet Baldwin, hbaldwin@nd.edu, 1-574-339-1655 (mobile)

Diane Westerink, westerink.5@nd.edu, 1-574-286-9696 (mobile); 1-574-631-4005 (office)

Sincerely,

Joannes J. Westerink

Joseph and Nona Ahearn Professor in Computational Science and Engineering
